

Endometrial Cancer Pathway Maps Acknowledgements

The following individuals are acknowledged for their involvement in the development of the Endometrial Cancer Pathway Maps, in their capacity as clinical experts, as listed below. They have reviewed the content of the pathway maps and confirm that, with respect to their medical specialty and to the best of their clinical judgement and opinion, the pathway maps depicts evidence-based best practice and is informed appropriately by expert opinion where evidence is conflicting or missing. The following individuals support the release of the pathway maps on the external Cancer Care Ontario (CCO) website and they consent to their names being listed as contributors to the pathway maps.
